JP BOON BOON 2011 Grey Mare (Willow)

Willow is a good minded solid using mare. Has been used to rope and drag calves at branding. Used outside to rope and doctor cattle; will stand and hold the rope while you doctor. Super cowy mare that's light in your hand. Good stop and turnaround. Started on the heel-o-matic and pen roped on in the arena. Fun mare to ride with lots of life she can do it all.
