## JP DOCTOR BY NIGHT 2011 Gray Gelding (Gill)

Gill a big laid back young horse, stands about 16 hands and has really been coming into himself weighs about 1250 lbs. Gentle rides off the same every time. At a young age he has already been used extensively on the ranch. Gathering big pastures, sorting pairs, and branding, Gill has done it all. We have been pen roping on Gill and he is really starting to track and rate cattle well. He is a horse that just's going to keep getting better on the ranch or in the arena.
